

**Our Focus**

<sup>1</sup> To bring worship and the Word into the heart music of peoples throughout the world

<sup>2</sup> To multiply the fruit of our ministry by cultivating skills and understanding in others

<sup>3</sup> To present a foretaste of this musical “glory of the nations” before the throne of God

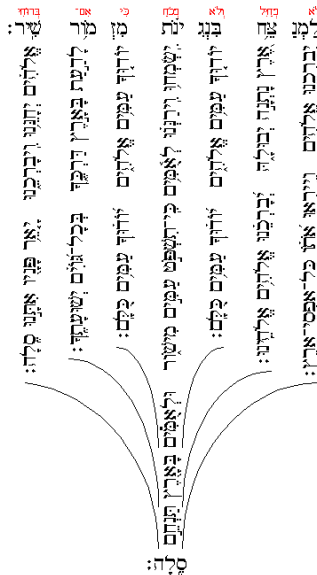

Music is one of the most powerful ways to communicate in any culture, and every culture has its own forms of music. We want to encourage the use of culturally meaningful music to effectively communicate the gospel and lift praise to Jesus, the King of Kings.

**Praise Him with the stringed instruments and the flutes! ...Let everything that has breath praise the Lord!**  
*Psalm 150: 4,6*

“Let the peoples  
 praise you, oh God;  
 Let all the peoples  
 praise you.  
 Let the nations be glad  
 and sing for joy!”

*Psalm 67:3-4*

## Paul & Cathy McAndrew

Paul on bouzouki and Cathy at the hammered dulcimer, playing some of their own "heart music"

Paul & Cathy have ministered together for twelve years as worship leaders and teachers. Their experience and training in biblical languages, linguistics, the ministry of reconciliation, and diverse musical expression has prepared them to broaden their service to the Body of Christ - to help bring worship and the Word of God into the heart music of peoples of all nations.

They are presently dedicating themselves to the following projects and services:

- **Volunteering** their services to SIL International's Ethnomusicology Dept (2 days/wk)
- **Leading worship** at conferences/retreats both locally and abroad
- **Forming a performance troupe** to learn worship songs from many nations
- **Rehearsing** for summer music festivals
- **Performing** Celtic worship with **Onóra**
- **Co-Chairing** the steering committee for a global consultation on music & missions (Ft. Worth, TX, Sept 2003)
- **Co-Publishing** "EthnoDoxology" - a journal devoted to music & worship in missions
- **Launching "The Menorah Project"** (Psalm 67 sung in 70 heart languages)
- **Assisting at training sessions** on various mission fields (Ghana, W Africa, Nov 2002)
- **Researching** for the SIL "Key Terms of Biblical Hebrew" Project

## Spreading the good news of life in Jesus by encouraging...

### True Worship

"Missions exists because worship doesn't. Worship is ultimate, not missions, because God is ultimate, not man." (John Piper)

*"Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God - this is your spiritual act of worship" (Rom. 12:1).*

### Bible Translation

Translating the Word of God into the "heart language" of peoples of all nations

- ◆ There are 6809 languages in the world, but only 371 have a complete Bible.
- ◆ 380 million people do not have a single portion of scripture in their own language.

### Applied Ethnomusicology & Missions

Translating the Word of God into the "heart music" of peoples of all nations

- ◆ People worship the Lord most meaningfully in musical forms that are familiar to them.
- ◆ Scripture in song is an effective way to communicate the gospel.

We are looking to the Lord to provide for our needs through members of His Body who desire to be personally involved in this work. In this way we believe He will continue to confirm the calling and direction He has for us. Please contact us if you would like to be on our personal prayer support team and/or financially participate in our ministry. We'll be happy to give you as much detailed information as you want.
